

St. Thomas Aquinas College is proud to announce participation in Giving Tuesday, which will take place on Tuesday, December 1st. We have an ambitious goal and we need everyone's help to reach it!

In alignment with the College's initiative to provide Access, Affordability, and Admissions, all funds raised will go directly to student scholarships, paving the way for current and future students to realize their dreams through quality education and reap the benefits for a successful future.

Help us give our students the gift of education!

Thank you for helping to make this a record-breaking Giving Tuesday
